

THE EVENING SUN Pennysaver

2019 Parade of Lights

WE NEED YOUR IDEAS!

As we approach the 25th year of the "Parade of Lights" – we are reaching out to our community to see if you have any ideas or suggestions to make the parade even better.

For instance, over the years, we have reached out to the local universities (Colgate and Syracuse), and high schools to see if we can get their bands in. We have been unsuccessful, as this is during Thanksgiving break and they don't have the students available.

Perhaps – our community may have some ideas of things that would be special – feel free to give us any ideas and we will try to pursue them. Naturally, budget considerations and so forth will be looked at. As always, our community continues to keep us in awe as they produce amazing floats and participation year after year!

Email your ideas to me at the Pennysaver Mike McCormack
