

Your wedding is an important and newsworthy event. In order to retain news value, *The Evening Sun* prefers to receive wedding announcements and photos no later than two months after the wedding. Announcements are printed free of charge on Thursdays as space allows, but no guarantees are made as to the date of publication. Black and white photographs are preferred. Those photographs accompanied by a self-addressed, stamped envelope will be returned automatically. All others must be picked up at the newspaper office within two weeks of publication. Digital files and announcement write-ups may also be e-mailed to news@evesun.com.

Bad at filling out forms? It's much easier to e-mail! Using the information on this form as a guide, simply write up your own wedding announcement how you'd like it to appear in *The Evening Sun* and send it to news@evesun.com. We'll reply with a confirmation!

Including a photo? Digital is the way to go! Send a .jpeg, .tiff or .gif file (black & white is best, but color works, too) to news@evesun.com.
